

Concorde AutoSolo 2010 - Introduction

Welcome to our third AutoSolo, which we hope will provide you with an enjoyable day's sport. For this year we will be moving the event to Bovingdon Airfield, which should give us some more room to play with, so hopefully more of you will come along and give it a try.

Competitors are divided into three groups, whilst one group competes, another marshals and the third takes a well-earned rest. This results in an action packed day for all. All will be revealed in the Final Instructions.

A Club membership card is all that is required to take part.

The Organisers

Supplementary Regulations

1. The CSMA (North East London Group) will promote a Clubsport permit AutoSolo event on Sunday April 11th 2010, at Bovingdon Airfield, off the A41 between Hemel Hempstead and Tring, Herts (entrance via map reference 166/015050).
2. The meeting will be governed by the General Regulations of The Motor Sports Association (incorporating the provisions of the FIA's International Sporting Code); these Supplementary Regulations; and any written instructions that the organisers issue for the event.

An MSA permit has been applied for.

3. The event is open to all members of the CSMA, Farnborough DMC, Oxford MC, Falcon MC, Chelmsford MC and Middlesex CAC. All drivers must produce a valid club membership card.

As per GR H7 and M29, drivers over 16 at date of the event may enter, providing they take part in a vehicle deemed a 'touring car'.

4. Scrutineering and signing on will start from around 8:00, tests start at 10:00, latest recommended arrival is 9:00, and any competitor not signed on by 9:30 may be excluded.

5. Classes and eligibility:

- A. Saloons / estates / 4 seat coupes, up to 1400cc
- B. Saloons / estates / 4 seat coupes, 1401 to 1800cc
- C. Saloons / estates / 4 seat coupes, over 1800cc
- D. Production (open and fixed roof) 2 seat sports cars
- E. Lower volume sports cars, kit cars suitable for road use, and others ineligible for classes A to D

Classes with fewer than 4 entries may be amalgamated.

Class E includes all Caterhams, Westfields, Lotuses, Clans, Ginettas and similar. Diesels, with or without forced induction, will run in the class corresponding to their capacity. A petrol engine with forced induction, in class A or B, will move up one capacity class. A rotary engine will be classed at twice its nominal capacity.

All cars must retain the original body profile above the hub centreline, apart from accessories such as spoilers and wheel arch extensions. Cars not conforming to this requirement, or one-off specials, or kit cars of an 'off-road' nature, are not eligible for this event.

Suspension and transmission may be modified, within their original configuration. Tyres marked 'for competition (or racing) use only', or manufactured without a full tread pattern, may not be used.

Additional eligibility requirements, Classes A to D (cars not meeting these requirements are eligible only for Class E):

Cars must retain the original panel and window materials although accessories such as spoilers & wheel arch extensions may be added. They must have full trim and seats although the type may be replaced.

The engine must be of the original manufacture and original basic type (e.g. BMC 'A' series) and must be fitted in original position, but may be a different version, may be modified, and may be a different capacity, provided car is entered in class corresponding to its actual capacity.

The transmission must be also of the original manufacture and original basic type, but internal parts can be changed, e.g. ratios and differential type, including fitting a LSD.

In Classes A to E, tyres in the MSA's current List 1B may not be used.

The organisers' decision will be final, regarding the eligibility and most appropriate class for any particular car.

As per GR M33; cars entered in AutoSolo's must be registered, taxed, insured, MOT tested if applicable, and driven to the event. Please note, these requirements **will** be enforced. Tax discs must be displayed, proof of insurance cover and MOT's (for cars over 3 years old) must be available at scrutineering/signing on and trade plates will not be accepted.

Sunday 11th April 2010

Club Card Only Required

For those who haven't entered an AutoSolo before, they consist of all forwards timed tests on a sealed surface. Although there is no passenger, they are not a memory test as numbers and markers help you find your way around. One score is dropped per test layout to allow for those 'little mistakes'. Although modified cars are allowed, all competing vehicles have to be road legal and be driven to the event.
